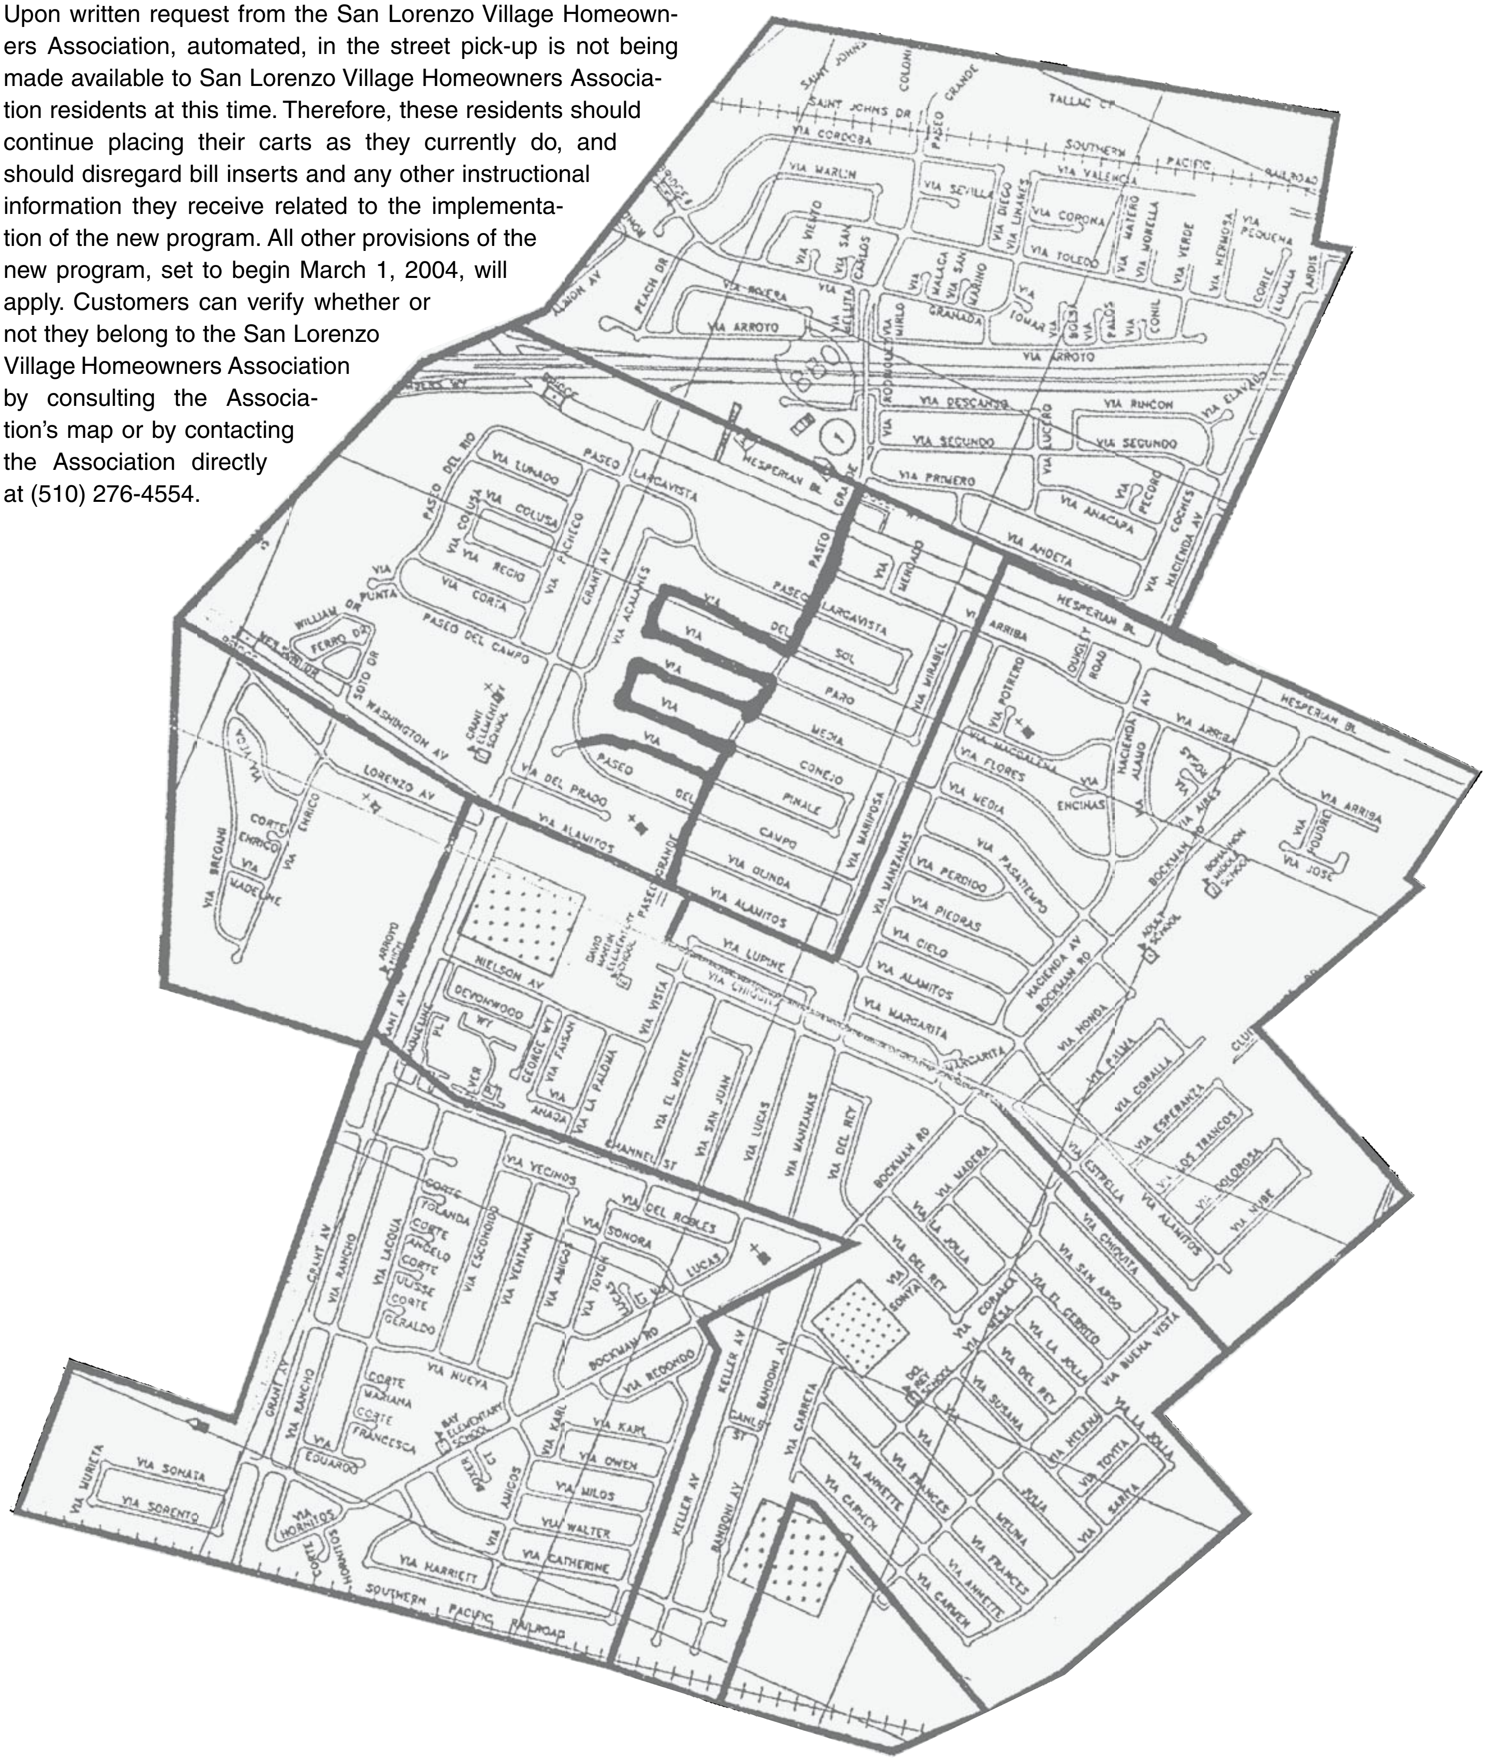
San Lorenzo Village Homeowners Association


Upon written request from the San Lorenzo Village Homeowners Association, automated, in the street pick-up is not being made available to San Lorenzo Village Homeowners Association residents at this time. Therefore, these residents should continue placing their carts as they currently do, and should disregard bill inserts and any other instructional information they receive related to the implementation of the new program. All other provisions of the new program, set to begin March 1, 2004, will apply. Customers can verify whether or not they belong to the San Lorenzo Village Homeowners Association by consulting the Association's map or by contacting the Association directly at (510) 276-4554.
